Children **neither** lie nor can **differentiate between** gain and loss. In spring, neither it rains **nor clouds thunder**. It rains neither in spring nor in winter. Islam neither orders to kill anyone **nor preaches religion** forcibly. **Neither Islam nor Christianity** orders to **slay** anyone. **Neither Islam orders** to kill anyone **nor Christianity allows** to usurp rights of the weak. Education **neither hones** our luck nor **makes man out of us**. **Neither education nor culture makes man out of us**. A saint **neither scorns** the poor **nor sits down under the awe of** the rich. **Neither a saint derides** the poor nor a pious man **sits down under the awe of** the rich.

Either chastening experiences or religion can put man on right path. I shall either get first position or quit studying. America should either trust Pakistan or get help from India. Man should be either true to his diligence or have heart to bear failure. Good man will either side with truth or keep tight-lipped. Man is bound to suffer for his deeds either in this world or in the hereafter. He will come either now or never. Lunar eclipse happens either in winter or in summer. Either husband or wife has to compromise in order to solidify family. Either man or woman had to earn living to support family. Either paper or its marking must be strict.

Books give man not only knowledge but also understanding. Not only books but also movies give man understanding. Lie dispenses with not only trust but also relations. Pakistan has been taking aid not only from America but also from Russia. Not only Pakistan but also Egypt has been taking aid from America. Not only life but also death was an ordeal. Not only husband but also wife has to earn living in order to support family. Not only pollution but also adulteration has surged.

Not to speak of giving resignation,
president simple suspended talks.

Not to speak of resignation, **even**
talks were not consented to by

government. Let alone India, England

is also our **sworn enemy.** Let alone

books, even movies are not **liked by**

him. Not to speak of books, even

movies do not **appeal to** him. Let

alone relatives, even children **leave**

man alone in old age. Not to speak of

receiving interest, banks have been

writing off loans. **Let alone interests,**

even loans have been getting written

off by governments. **Let alone**

regarding, some children do not

shirk from talking back to parents.

As soon as clouds thundered
children **started to weep**. **No sooner**
did children **start** weeping **than**
mother woke up. **No sooner did**
mother wake up **than** children
started to laugh. **No sooner did** he
become officer **than** everyone
became his friend. **As soon as**
clouds thunder it starts to rain. As
soon as **it will start raining** we shall
make tea. As soon as they will take
tea they will **get to** Facebook. As soon
as horror scene comes heartbeat
quickens. **As soon as** examinations
have been **nearing** work speed has
been **quickenning**. **As soon as** some
human beings **take control of**
something they **cross all moral bounds**.

I was **about to** sleep **when** day long incidents started to **cross my mind**. Sometimes we are **about to give in** when we **make up mind to withstand**. He is often about to **explain his contention** when **anchor heckles him**. He was about to enter room **when** **light switched off**. Baby was about to **weep** when **governess stuffed** feeder in its mouth. **Crown witness** was about to disclose secret **when** he was shot.

He **had hardly stepped in** the hall when it started **to hail**. I **had hardly** solved the sum **when** my head **started aching**. He had hardly **hit six** when Indians started to **cry foul**. Clouds had hardly thundered **when**

it started to rain. Cold had hardly
subsided when everyone started to
eat ice cream. Government had
hardly spiked tax when people
dropped on it.

Legislators are going to pass two **monetary bills** this month. Saudi **crown prince** was **going to** make an important announcement at **Haj**. Journalists had already known that **the U.S.** was going to **invade** Iraq. Government is going to **detain** all opponents. Greece is going to **embark on some enterprises**. It seems that America is **going to invade** Iran. It seems that third world war is going to **break out**. Economy is going to **take new upturn** in a few months. It seems that **good time is afoot**. China is going to **become third superpower** soon. Pollution is going to become a **serious** problem.

Questions are **whether tough or easy** we are bound to attempt them.

Man is **whether rich or poor**, he is **bound to take food**. Man is **whether powerful or weak** he is bound to die

one day. Whether boys win prize or girls, ceremony will be **conducted**.

Government does whether good or bad, opposition **does just criticize** it.

Whether **cash is given or cheque**, it is bound to take one day. Whether it is day or night, I will **come back**.

Whether baby boy is born or baby girl, **parents are bound to accept it**.

Food is whether **pricey or less-priced**, people are bound to buy it.

Whether **he comes to us or we go to him**, we are bound to admire him.

Whether Russia beat America **or vice versa**, for us **the both are cut from the same cloth**. Whether boy likes girl **or vice versa**, **valediction is meant for girl only**. Whether woman abuses man **or vice versa**, men are condemned. Whether it is raining or clouds are thundering, **he shall** fulfil his promise. Whether America holds talks with the Taliban or India with Pakistan, **deadlock is bound to be the result**. Men oppose women's rights **lest** women **may** dominate them. Imperialists rallied the Pathans behind religion **lest** they **might** again come to power. Opposition does criticize government **lest** its

popularity **may** surge. America
keeps raising pressure on Pakistan
lest Pakistan **may** leave it alone.
Students are passed with 40
percent pass marks **lest** they **may**
really become **competent**.
