

KEY PAGE TWELVE: COL ONE

All twins grow in the same environment. European children grow up in similar environment. America used to make the same weapons as Russia. Tablet works the same way as laptop. All human beings do not think the same way. All Arab countries think the same say. She proved every time the same genial that I found her first time. Officers demand the same powers as are enjoyed by politicians. Pakistan gave same reply to American demands every time. Forced marriage notwithstanding, woman likes to live with the same man as she likes. A leader should give

answer to the same question as are asked by journalists. A journalist should ask rulers the same questions as perturb people. America and Britain have similar interests. All human beings are not similar in look. All poles have the same height. All Africans look similar. She will buy either Hummer or something similar. He will choose either Punjabi or something similar. He will visit either Kaghan or something similar. We shall take either tea or something similar. We have been asking either complex questions or something similar. Journalists ask rulers the same questions as are expedient to them.

All third world country are facing **similar** problems. All **Aryans** do not **look similar by physiognomy**. Our rulers are looting state approximately **similar to** the British.

The human beings who forget God are **forgotten by God**. **The** nations who ignore past **cannot hone** their future. The sins **that are** committed in youth are never **forgiven**. The questions that are **mugged by** students **barely** come in paper. The mistakes **that happen** in childhood are often **let off**. The lesson **that is** taught by **time** always shows right path. Children have to **bear** **negligence that are** committed by **parents**.

KEY PAGE TWELVE: COL TWO

Sometimes we have been missing out on asking questions.

Sometimes we have been stopping short of asking questions. He will have stopped short of speaking. We often miss out on speaking truth.

Indecisive people stop short of taking initiative. Pakistan missed out on occupying whole Kashmir in 1948. Lightning cracked but it missed out on raining. Pakistan miss out on winning many matches.

Several people many times miss out on dying. Missing out on dying is considered a miracle. Bowler misses out on taking wicket many times because of no-ball. Hundreds

of students miss out on getting position by margin of a few marks. Many times we stop short of uttering bitter fact. India many times missed out on threatening Pakistan. Infant missed out on weeping. Alexander stopped short of executing Aristotle. Unlucky people miss out on getting success. Fishes cannot survive on land, like crocodile. Women do not have moustaches, like men. The Muslims do not believe in the Trinity, like the Christians. Africa does not have snowfall, like Europe. Woman cannot give divorce in Islam, like men. Girls cannot go out alone, like boys. Men cannot attract woman,

like gold. Mankind is not quadruped, like animals. WWII was fought by no Muslim empire, like WWI. Computer is not portable, like laptop. Cancer is no longer incurable, like AIDS.

Like Jews, Christians do not believe in the Quran. Like the Jews, Muslims do not believe in the Trinity. Like mankind, Kangaroo is not quadruped either. Like the dolphin, the whale cannot survive on the land either. Like WWI, WWII was not won either by Germany. Like lawyers, judges do not speak truth either. Like the moon, the Mars has no life.

KEY PAGE TWELVE: COL THREE

Advising other, we start considering ourselves superior to them. Despite sitting examination two years late, some candidates could not acquire distinctive position. Despite preparing for examination for two years, several students remained devoid of pass marks. Despite paying full bill, he was not given discount by department. Despite presenting every proof, he was given justice by judge. Despite respecting woman, men are shown on media as oppressors. Despite being acquitted by court, many accused were not released from jail. Despite being investigated deeply, some culprit officers are let off.

Despite being forewarned, Pakistan will be **unable to thwart** India-Israel collusion. **Despite countering in advance**, Pakistan will be **unable** to thwart **India-Israel collusion**.

Despite being stumped by rival, dishonest leader keep **waffling over** the law and order issue. **On being stumped**, dishonest leader **start waffling over** law and order issue.

Despite being investigated for ten years, Hamoodur Rahman Judicial Commission report could not be **made public**. **Despite investigating** for ten years, Hamoodur Rahman Judicial Commission could not **make public** its report. **Instead of marginalizing**, the Muslims world

should **harness** leadership of **Mahathir**.
Instead of being marginalized,
Mahathir should be assigned leader-
ship of the Muslim world. **Despite**
being diagnosed, chronic diseases
prove fatal. **Despite diagnosing,** doctors
don't **bother** to **treat for** chronic disease.
On being betrayed, the Taliban
hanged many Afghan leaders
forthwith. Despite being **disgraced**
on media, **Veena** proved herself
superior to other heroines. **On**
being whipped up, Hindu **radicals**
demolished Babri mosque. **Instead**
of being given prize, many **judicious**
officers were transferred. **Despite**
being not convicted, many accused
languish in jails for years.
