

KEY PAGE FIVE COLUMN ONE

He is **satisfied**. He **got** satisfied.

He was satisfied. He will **get**

satisfied. He was **looking**

satisfied. He will **have** been

looking satisfied. One **gets**

satisfied. New answer will

satisfy one. Success satisfies

every-body. **Remembrance** of

God satisfies **heart of man**.

Remembrance of God **keeps**

heart of man satisfied.

He **was** **delighted**. He got

delighted. He **gets** delighted. He

will **get** **glad**. He **will** **have** **got** de-

lighted. He was looking **delighted**.

He was delighted **on 30 October**.

He **had been** delighted **since 30 October**.

He was **always** delighted. He **had always been** delighted. Your

suggestion **has been** delighting us. This thing will **delight** you.

Smile of infant delights mother.

Smile of infant **keeps** mother **delighted**.

He was **distraught**. He got distressed. He was **looking**

distress-ed. This news will **distress** you. Past has been

distressing him. Some

memories **distress** us.

Problem is solved. Problem has
got solved. Problem was **getting**
solved. Every problem gets
solved. He is **solving** problem.
We shall **solve** pro-blem. He **has**
been solving **problem.**

Matters are **complicated.**

Matters are **getting** complicated.

Matters have **got** complicated.

Government will **further com-**
plicate situation. Life has **got**

more **complex.** Man was com-
pelled. Man had **got** **compelled.**

Man has been **com-pelling** man.

Wrong decisions **force** one. Wrong
decisions **keep** one **compelled.**

Fairytales **impress** kids. For-
bearance impresses one. Persis-
tent people **impress** the world.
The world **got much impressed**
with **pertinacious** leadership of
Mandela. Europe was **much im-**
pressed with Lady Diana. Diana
impressed all **the world**. For-
bearance **keeps** others **im-**
pressed with you. **He is**
offended. I had been **offended**
with him for two months. He
offends me often. He **has been**
offending me often. Mother **gets**
offended with child. Every saint
pleases God. God **had been pleased**

with us **since last week**. God was **pleased** with us **three weeks back**. **Uncertainty worries man**. Uncertainty keeps man worried. **This thing perturbs me**. Some considerations perturb mother. Some **considerations keep parents perturbed**. He has **got spendthrift**. **Earlier**, he was spendthrift but **later** he got **frugal**. **Earlier** he was not **scared** but later he **got scared**. Life was not fearsome **earlier** but got fear-some **later**. **Earlier** he was not afraid **but** later will **get** afraid. **Earlier** I was not **amazed** but later I got **surprised**.

KEY PAGE FIVE COLUMN TWO

Buoyant person never **doubts** his abilities. **Good man** will never **doubt** **beneficence** of God. Everyone **doubts** **stability** of America. **None** **doubts** **success** of the **powerful**. Everybody **doubts** **suggestion** of **newbies**.

Detectives **suspect** everyone. Pakistanis **suspect** American **friendship**.

Politicians will **keep** **suspecting** rivals. **Most men** **suspect** their wives.

Everyone **suspects** **intention** of **liar**. **Suspecting** friend **costs** one dear.

This is **suspected** question. Your logic was **suspected**. Your logic has **got** **suspected**. Suspected opinion **makes**

man suspicious. Suspected moves
have made police suspicious. All
spies are suspicious. Some spies
have got suspicious. Spies get sus-
picious early. Spies look suspicious.
America is suspicious. America
looks suspicious. America has got
suspicious. The United States has been
suspicious for 70 years. Suspicious
people get perturbed early. Suspi-
cious persons perturb everybody.
Suspicious people remain perturbed.
Suspicious conditions perturb man.
Parents sacrifice their comfort for
promising future of children. Tenacious
people sacrifice present for big success.

A **visionary leader** has never **sacrificed** his **ideology**. Quaid **sacrificed** his **personal life** in **pursuit of** Pakistan. Everyone **wants** to **secure** his **future**. **Sane use of resources** **secures** life from hardships. **China** has **secured** his global position **through economic progress**. **Strong defence** **secures** nation **from war**.

Bombardment **razed** **hundreds of buildings**. Department will **demolish** many **shops** during **anti-encroachment campaign**. Court ordered to **raze** **illegal plaza**. Earthquake **demolished** some **multi-storey structures**. Expired cinema house will be **razed** soon.

Investment promotes economic growth. Foreign capital promoted Chinese industry. Cottage industry promotes social well-being of the middle class, too. Will third world not promote cottage industry?

Governments frustrate opponents.

Haste frustrates one's hopes.

Storm has egregiously frustrated relief works. China is promoting

relations with Europe, and the U.S. can no longer frustrate its measures.

The United Nations has prevented third world war. Veto powers bar

use of atomic weapons. Only fear of God forestalls man from sinning.

One seldom abstains from disobedience of God. The United States prevented Communism from entering Pakistan.

Government implicated its opponents in baseless cases.

America has always involved Pakistan in its wars. Mobile has embroiled youths in inane things.

KEY PAGE FIVE COLUMN THREE

They **fell ill** in winter. We **have been** falling ill. They **are victim of** misunderstanding. Pakistan has **fallen victim to** terrorism. Students **fall victim to** misunderstanding. She will fall unconscious. He **fell to** ground and **fell fainted**. Sold-out media falls silent on misdeeds of rulers. A **chill** has **fallen** on people **because of state repression**. Days have **fallen** short and **evening falls** early. Man **at last** grows old. Every **youth** will grow old. **The poor** **grow up** late but grow old early. **Some children** grow up early. **Some youths**

grow old late. His hair has gone white and he is growing old fast.

Now hair grow white early. Rulers have grown callous and elders are growing concerned. Looters have grown hasty but people are growing sensible.

Some people went blind, some will go deaf. Man goes blind in greed of wealth. People will go bald. Urbanites are going deaf with noise pollution. With pop music, many youths have gone deaf. Some things are going wrong, something will go wrong. Something went wrong. Nothing will go wrong now.

Social media **has run riot** and the powerful will **further go unbridled**. Youths are **going wayward** and **their optics** have **gone awry**. Rulers will **go more pervert**. Lord Wavell **had gone blind** in one eye.

Children will **not turn rash**. Some children **remain** rash. Most models **turn nasty** in practical life. Few women **turn nasty** after marriage. **Coy** women never turn **naughty**.

Nation is turning rash. Crowd has turned **violent**. Some players have go professional. **Even** journalism has turned **commercial**. Greece had **turned bankrupt** two years back. Pakistan will **no longer** go bankrupt.

Most government institutions are turning bankrupt. His complexion will turn dark in sunlight. Now his complexion will turn fair with Fair & Lovely. Complexion of few turns fair with Gipsy. He went berserk. He will turn rash with anger. My complexion turned red with shame. Their face will have turned red with anger. The United States has turned against Pakistan. Optics have turned against you. Matters are turning against Pakistan. Affairs will go against you. People will go insane. Weather is turning bad. Weather has turned cool. Weathers are turning hot fast. Weathers will keep turning hot.
