

KEY PAGE SIX COLUMN ONE

I **wondered**. One wonders. Nation will wonder. Survival of Pakistan **surprised** the world. **The world has wondered** at survival of Pakistan.

None **wonders at** expected change. **Abrupt change surprises** everyone.

Parents **revel in** successes of children. **Genial** people **rejoice in** success of everyone. America **revels in** progress of **Israel**. One **above all exults at** his success.

Jealous people **delight in** our failures. Jealous people delight in **travails** of others. Woman delights in **plights** of woman. Hindustanis

delight in defeat of Pakistan and
Pakistanis **delight in** defeat of Hind-
ustanis. Europe **has always delighted**
in backwardness of the Muslims.

Nation **despaired of** rulers. He has
despaired of optics. Uncertainty
disappoints man. One **does despair**
of God. God never disappoints **man**.

Evil thrives early in **pervert** society.

Digital revolution **flourished fast**.

Literature **flourishes** in peaceful
society. **Cosmetics** business will

always **flourish**. Tolerance **thrives**

in democracy. **Check and balance**

flourishes in justice-lover society.

Mafias **thrive** in **dictatorship**.

Man will never **desist from evil**.

Will America **desist from** weakening Europe? **India** never **desisted**

from reviling Pakistan. **Traitors** do not **desist from** **looting** country.

Moral values **prevail** in society.

Western values have long **prevailed**.

Dictates of the powerful do **prevail**.

Period of prosperity dawned.

Period of prosperity **will dawn**. Era

of European renaissance **dawned**

in the **sixteenth** century. The

Mughal era **dawned in** 1526. A

new civilization **dawned** in 1990.

Era of exploitation of the third

world has **dawned**.

Period of industrial revolution dawned in Britain in 1760. Old age dawns at 50 years of age. Period of success dawns after struggle.

World Cup tournament kicked in in March. Every match kicks off with toss. Seminar kicked off 15 minutes late. Session often kicks in late. Session seldom kicks in on time.

Snowfall sets in in December. Winter has been setting in in November and drawing in in February. Autumn sets in in September and draws in after one month. Spring has set in. When summer sets in in northern hemisphere winter sets in in southern hemisphere.

KEY PAGE SIX COLUMN TWO

He will **recover** soon. **Few** patients recovered. Now **chronic** patients will recover soon. Some people **recover with medicine** some **with prayer**. Pakistan prospered. Man has prospered **because of** inventions of science. Pakistan will prosper. Africa will prosper **soon**. **She appears a vamp**. Vamp often appears **witch**. Her husband appears **wretch**. Everyone appears innocent in childhood. **Advices appear gibberish** in youth. Advices appear **repentance** later. Even bitter medicine **appears tasty** in illness.

Hasty decisions fail. Moderates have failed. Pacifists have been **failing** and extremists **succeeding**. **He failed test.** Indian intrigues **have been failing**. Plans of **the British** have been failing. Good strategy **seldom** fails. **Haste seldom succeeds**. India has **turned out** our enemy. **Israel** has also been **turning out** our enemy. China has **always** turned out our friend. **Diabetes** has turned out the worst disease. Poverty has **turned out** **mother of human plights**. **Problems of man** **will never** **vanish**. **American hegemony** will vanish soon. **Resources** **vanish** but wishes

do not. Polarisation between man and woman will **seldom vanish.** **Sectarianism** will never vanish.

Every year **2.5 million Muslims** **congregate** in **Makkah** and **Medina** for Haj. Two lakh people **congregated** at the venue **at oath-taking of Obama.** Above one lakh people **swarm rallies** of big leaders. Lakhs of **Muslims** **congregate** at **Rai-wind** for preach. Five lakh fans **congregated** **at concert of** Michael Jackson. **Bad people** **exist** in every society. Few European customs **exist** in **Asia.** **Dinosaurs** **exist nowhere** on earth. Life does not exist on the **Mars.** Water does not **exist** on the **moon.**

Uranium exists everywhere but very scantily. Many Nazis fled to Paraguay. Money launderers flee to England. Pahlavi fled to America when Khomeini entered Iran.

Miracles will keep happening. Marriage happened late but ceremony happened early. Some incidents happen without reason. Accident happened and crowd gathered at the spot. Then nothing happened, now much would happen.

After industrial revolution, humanity entered era of individual freedom. The world has entered digital era. Pakistan Movement entered decisive phase in 1946. Speed of human progress quickened as a result of industrial revolution.

KEY PAGE SIX COLUMN THREE

Reverence of Imam Khomeini has not **abated** even a bit. **Fame** of every actor **recedes** over the time.

Now **demand** of **Facebook** is subsiding. **Shopping** of cosmetics will **never** wane. **Heat** abates in September. **Aftereffects** of atom bomb on Japan **abated** fifty years later. **American** pressure on Japan has **considerably** ebbed away.

Foreign exchange has depleted. Savings are depleting. **Back-up** will have **dwindled**. Food supply will have **depleted**. Bank balance will **deplete**. Natural **resources** have **dwindled**.

Gas reserves will **deplete**. Ozone layer is depleting and pollution is **surging**. Middle class is **swelling** and its needs are **surging** **accordingly**. Imports will swell and loans will swell **accordingly**. Population has ballooned **enough**. Expectations have surged but resources are not swelling **accordingly**. Discount had surged and payments will have **swollen** **accordingly**. Syllabus has **ballooned** and **duration** will have **expanded** **accordingly**. **Burden** has surged but **capacity** has subsided. Greed is **rising** but **rage of people** will not **ebb away**.

Headache waned and comfort **rose**.

Tension **surged** and **prosperity** **slid**.

Expectations have **soared** and fears have **waned**. **The number of** books

has **slid**. Questions receded but

demands **surged**. **Tariffs** **slid** but

surcharge **soared**. Conditions **slid**

and **objections** will slide accordingly.

Misdeeds of rulers have not slid.

Demands slid and **prices are falling**.

American distrust surges. **Polarisa-**

tion has risen and blame-games will

have **soared**. Tension on border will

have **escalated**. **Pressure** will have

soared. The moon **wanes** in second

half of month and **waxes** in **the first**.

The moon has been **waning** and **waxing** for centuries. The moon will **keep waning** and waxing **like this**.

Pastures are **contracting** and **barren** lands are **sprawling**. Cities **sprawled** and **villages** **contracted**. **Colonies** **will** **keep** **sprawling** up and urban areas, too, **accordingly**. **Forests** have **shrunk** and are **shrinking** **further** and deserts are **sprawling**. **The Amazon** has **shrunk**. Problems have **shot up** and resources have **plummeted**. Prices **shot up** and income **plummeted**. Blood pressure **shoots** and performance **plummets**. **Turmoil** has **shot up** and **urge for peace** has plummeted.
