Children **hanker after** toys. I have always been **hankering to buy BMW**. Everyone **hankers after success**. Everyone **hankers to succeed**. Every Pakistani **hankers to defeat India**. **Everyman** **hankers after wealth**. Men **hanker after** woman but woman **after** gold. **One** **hankers after long age**. Europe has been **hankering to subjugate** the Muslims. Europe has **hankered after peace** since WWII. Every youth **hankers to win** heart of girl. Trump **hankered to** become president in 2000. Every sick man **hankers to recover** early. Every patriot **hankers after well-being** of country.

Two-nation theory is **premised on oneness** of God. Deed of pious man is **premised on** belief in **omnipresence** of God. Approach of successful **human beings** is premised on **determinism**. Communism is premised on providing **basic amenities** to every citizen. Every **thinking** of a Hindu is premised on **opposition** of Pakistan.

Every person is **covetous of** long age. Destructions of war made Europe **covetous of** peace. Europe has been **covetous of** peace since the end of WWII. **Humility** of Kennedy **proved America** covetous of peace. Everyone is desirous of **officership**.

Good leader awakens people to their rights. History awakens us to the nature of mankind. Quaid-i-Azam awakened the Muslims to narrowmindedness of Hindus. Sir Agha Khan awakened Lord Minto to problems of the Muslims. Chastening experiences awaken man to hard-ships of life.

Pakistan is well familiar with weaknesses of America. European nations are not familiar with many Asian customs. Newbies are not familiar with some key tricks. ISI is optimally familiar with every ups and downs of the region. Minnows are not familiar with secrets of relevant games.

**We are not familiar with many
Islamic orders. Rulers will not be
familiar with many problems of
people.**

We are proud of being Pakistanis.

We pride in Pakistan. Our pride in

Pakistan will persist. Every citizen

should pride in his country. Pride in

country is manifestation of being

patriot. We are proud of being

Muslim. We pride in Islam. Our pride

in Islam will persist. Quislings never

pride in their country. Quislings'

pride in their country is false.

Traitors do not like to pride in their

country. The west duly prides in its

human values. The west will keep

priding in its values. Successful people

pride in their struggle. Pride in struggle

may be manifestation of arrogance.

Parents **remain anxious for** their children. All parents will be anxious for their kids. Students are anxious **to see result**. Freshmen are anxious **to go to** college on their first day. Freshmen remain **anxious at** their homework.

Silence in anger remains expedient to man. Popularity of smartphone is **expedient to** Facebook. Popularity of smartphone **proved expedient to** Facebook. **Their risk-taking** was **expedient to** company. Their risk-taking will **remain** expedient to company. WWII **proved** expedient to the Muslims.

Urbanites will soon get tired of rat race. Hardworking people do not get sick of overwork even. People get tired of dishonest rulers. Pakistanis will not get tired of dishonest rulers. Man gets sick of monotony. He will be sick of monotony. He will have got sick of monotony. Youths will never get sick of mobile. Every sensible citizen is sick of false promises of politicians. One gets tired with overwork. Aged and bulky people get tired with work early. One falls sick with self-medication also. Many people fall sick with eating stale food. Some people repeatedly fall sick with perturbations.

Africa was **indebted to** World Bank in 1950. Africa **had been** owed to World Bank **since** 1950. Africa had been **owed to** World Bank **for** thousands of billions of dollars **since** 1950. **Pakistan is indebted to the World Bank.** Pakistan will have been owed to the World Bank **for forty years.** Pakistan has been **indebted to** Japan **since 1949.**

Practical people do not **break with** fellows over **grudge.** As soon as communism **collapsed** America **broke with** Kabul. **Ideological leaders break with allies over differences.** **Bellicose people** break with friends **over trifles.**

Internet has seeped into urban life. Extremism has seeped into our attitudes. Hindu rituals can never seep into Islamic society. Social media has seeped into life of every youth.

Mankind remains absorbed in collecting wealth whole life.

Ideological people remain absorbed in pursuit of their purpose.

Politicians are absorbed in mudslinging on rivals. Trump is absorbed in his obsession to make America the homeland of the whites.

Bill Gates has been absorbed in his obsession for well-being of Africans for ten years.

Selfish people **absorb** fraud **in** their deeds. Arrogant person **absorbs** **derision** **in** his attitude. Man has absorbed materialism in his life. **The east** absorbed **sentimentality** in its nature. Some boys are **absorbed in** winning **heart of girl**.

Every **mother-in-law** **deliberates** **upon** schemes to **beset** daughter-in-law. Every daughter-in-law **broods** **over** plans to **beat** mother-in-law. India always **keeps brooding over** plots to **harm** Pakistan. Zionists keep **deliberating upon** plans to **disgrace** the Muslims. Good leader **ponders** **over** progress of nation.

Non-serious writings are fraught
with dig at opponents. Many col-
umns comprise digs at opposetion.
Dig at friends augments grudge.
Politics is laced with false digs at
opponents. Politics is stained with
dig at government. Dig at iconoclasts
cannot undermine their courage.
Realists laugh off dig at them.
